

Dirt Track racing off to a flying start for 2010 !

Racing at the ACTMCC has got off to a great start for 2010 with 100+ entries for the 2010 Kings and Queens.

With clubs from the ACTMCC, Central Coast, Wagga Wagga, Cowra and Far South Coast participating in this interclub meeting and with riders from most of the major dirt track clubs in NSW, spectators were provided with a great days racing.

With great support from the Classics and Sidecar riders, most senior classes went into heats. While junior rider numbers were down it was pleasing to see quite a few of the recent kickstart graduates turn up for their first race.

Ian Hamilton on his AXLE Motorcycles prepared CRF 450 took out the 2010 Senior Kings and Queens while Sean McClellan took out the 2010 Junior Kings and Queens.

Top 3 placings from all classes along with a few photos are attached.

At presentations special thanks was made to Hewatt Earthworks for their assistance in providing a grader for preparing the track and Dale and Hitchcock for supplying the water truck.

With Ian Hamilton spending most of Saturday night in the water truck, the track held up well all day only requiring minimum breaks for water allowing race day officials Peter Dodd and Reg Rendell to keep the programme on track with practice commencing just after 9.00 am and four rounds of racing completed by 5.00 pm

The dirt track committee is always on the lookout for new volunteers to help out on race day, we would also greatly appreciate any feedback on the way the meeting was conducted or possible suggestions for future race meetings.

The next dirt track meeting is scheduled for Sunday 14th March, contact Darylne Austin on 0402 854414 or darylneAustin@hotmail.com
